Delvaux

"Top Quality Belgian Handbags"

The middle of the magnificent Galeries Saint-Hubert is the perfect setting for this boutique, selling expensive, top quality Belgian handbags. The business, founded in 1829, specialised in producing only handbags until 1935. Since then, Delvaux has become the Belgian name for handmade leather handbags and accessories. Until not so long ago, the brand courted a wealthy older clientele; with the advent of Deux, its second, younger, more affordable label, their bags can be found on the arms of most smart ladies of style.
