### Au Vieux Panier

"Sleep in a Masterpiece"

Au Vieux Panier is hotel known for its unique guest rooms. Here you can sleep in a room that was created by an artist, be it a painter or graphic designer. Each room has a distinct look and personality, with one of their best known rooms designed as if you had a split personality since it's half-white and half-graffiti. Guests can enjoy the unusual decor as well as the comfortable rooms.

### Richelieu Hotel

"Coastal Conviviality"

At the Hotel Richelieu the sun shines both inside and out, so come on in! Hidden beneath a somewhat timeworn façade, you'll find a warm and welcoming interior. 16 of the hotel's 21 rooms open directly onto Catalans beach, and the view from your balcony onto Marseilles' islands is unrivaled. Each room has a different theme making this a very unique feature of the hotel.
