Köylü-Döner

"Kebab, anyone?"

Köylü-Döner is a fabulous take away joint where you can also sit and enjoy some great kebab dishes. This restaurant is very popular in the neighborhood for its kebab skewers full of succulent flavor. You can enjoy different types of meat and their doner specialty, which is just delicious. The ambiance simple and no-frills, but the service is quick and attentive. They have a counter where they place different types of spices and herbs and you can season your skewers as per your liking. The late hours and budget-friendly pricing have made this little eatery a fast favorite with the late-night crowd.

Best Worscht in Town

"Supremely Spicy!"

Germany is a country famous for its sausages, and you will find variations at every other restaurant. Frankfurt am Main's Best Worscht in Town, however, claims to be the best of the best, an assertion that is not too far from the truth. The curried sausages available at this food stand are absolutely delicious, but, unfortunately for many, rather spicy. Still, in an attempt to make the currywurst appealing to a larger segment of the sausage-eating public, this eatery offer you levels of hotness, right from A to F, so you know exactly what you're getting into!
