Golf-Club Golf Range Frankfurt

"Teeing Pleasure"

Located in the Kalbach tenement, Golf-Club Golf Range offers a sprawling 9-hole terrain suitable for pros and beginners. The location surrounded by mountains attracts golf enthusiasts with its undulated fairways, obstacles and driving range. The club also offers educational courses in golfing for budding golfers; for schedules and other inquiries check out the website.

Golf- Und Land-Club Kronberg

"Fabulous Golf Course"

Giving you a feel of mini Scotland in Frankfurt is the Golf- und Land-Club Kronberg Club House with its fabulous 18-hole golf course. This place is regarded by many locals and tourists as being one of the few places where you can get trained and also enjoy golfing as a leisure activity. There are various tournaments that take place here on a regular basis and they have separate team of women, men and seniors.

Royal Homburger Golf Club

"Bring Your A Game"

Renowned for being one of the best golf courses in town, the Royal Homburger GC 1899 in Frankfurt is an ideal destination to enjoy this gentlemen's game. Perfectly curated grass and an 18-hole course that will impress you is what this place is known for. Located amidst lush greenery, they have a fabulous offer for club joiners and many members of the team have been golfers at the regional level. Play a round on Germany's oldest golf course and be sure to bring your A game.
