Brasserie & Hotel Erasmus

"Unparalleled Beers in a Hotel"

The Brasserie Erasmus is located in the hotel of the same name and though the hotel is a comfy and very nice place to stay, its real draw is the quality beers on draught. They rotate constantly and each beer is handcrafted by locals, so if you seek Budweiser or anything else other than Belgian beer and the occasional one from Luxembourg, you will not find it here. The hotel itself only has ten rooms and the location is absolutely charming, so book in advance.
