### Freedom Trail

#### "Walking Down American History"

An integral artery of downtown Boston, Freedom Trail is a winding path coursing through some of the most significant landmarks of the country. Dotted along the trail's course is a troupe of sites which have been the brewing grounds for iconic events like the Boston Tea Party and Paul Revere's Midnight Ride. Upheld by the Boston National Historic Park and the Freedom Trail Commission, it is dotted by a tracery of churches, graveyards and buildings commanding monumental significance. Some of the important sites studded on the trail are the Old State House, Faneuil Hall, Old North Church, Old South Meeting House, USS Constitution, Copp's Hill Burial Ground and Paul Revere's House. The trail often commences from Boston Common, meandering up to the Bunker Hill Monument. Voyaging proudly through the city's expanse, the Freedom Trail tells stirring tales of the country's glorious past.
