Faneuil Hall Marketplace

"Food, Shopping & History"

There are more than 100 places to eat, shop and drink at Faneuil Hall Marketplace, also known as Quincy Market. French merchant Peter Faneuil gave the hall that precedes the marketplace to his adopted home of Boston in 1742. It has been called the Cradle of Liberty because of the number of revolutionaries and abolitionists who delivered important speeches here. The hall is now a tourist center and place to shop, but public meeting facilities are still available.

Copley Place

"World-Class Shopping"

With 75 stores and restaurants to browse through, one can find just about everything within this multilevel complex. Neiman Marcus is a featured store with polite sales clerks who actually take your name and number if they are out of desired stock. There are Louis Vuitton, Armani, Christian Dior and Salvatore Ferragamo as well as the ever-familiar Burberry, Intimacy, Tiffany & Co. and Barneys New York.

The Shops at Prudential Center

"City Shopping Mall"

This small, indoor mall is an urban oasis for shoppers. The interior offers a pleasant atmosphere, with marble floors and glass ceiling. Slaves to fashion will appreciate the selection of upscale clothing shops. Design shops, stationery stores and gift boutiques are also on hand. For tickets to Boston Duck Tours, get in the line that forms in the center of the atrium. Dining includes Legal Seafoods Restaurant and the renowned Top of the Hub. For a quicker meal, the food court has plenty of cuisine to choose from. A bank, post office and market are also on premises.

The Launch at Hingham Shipyard

"Maritime Shopping Experience"

The Launch at Hingham Shipyard offers a memorable shopping experience with its numerous shops and dining options. Also, it is known to host many fun and exciting events from time to time. A colorful hub of entertainment, its location by the riverside adds to the fun experience with picturesque views of the water. The shopping center is part of the Hingham Shipyard that was built in 1941 and was used during World War II.
