The SoBe Hostel

"Everything You Need"

The South Beach Hostel is located just two blocks from the beach, and equally as close to all the most popular nightlife of South Beach. The clean and spacious Art Deco building houses 38 rooms that can accommodate everything from singles to 10 person dorms. Besides the comfortable and clean rooms, the hostel also has its own kitchen, computer room, bar and a beer pong table, so there's no shortage of entertainment when it comes to down time in the hostel. The South Beach Hostel has been voted one of the "Top 50 Designed Hotels In The World" several times.

Clay Hotel

"Friendly, Central & Cheap"

The Clay Hotel is a moderately-priced South Beach hotel that is frequented by young travelers from around the world. Built in 1925 and once home to Al Capone's South Florida gambling ring, the hotel was renovated in 1980. It still boasts its original wood counter, as well as terracotta floors and the all-around charm of Spanish deco. There's almost no reason to leave the hotel except that it's two blocks from the beach and right in the heart of South Beach.
