Wellness Garden & Spa

"Zen Sanctuary Alfresco"

Perched on the rooftop deck of The Betsy Hotel, the Wellness Garden & Spa is a serene outdoor spa. This bamboo garden offers an eco-friendly atmosphere with towering plants, outdoor showers, canvas-covered chaise lounges and curtained cabanas. All products used are organic, imported from Europe and made from ingredients like sugar plums, blueberries and mandarin oranges. From lavender foot-baths to the deep tissue Mandarin Moment massage and the Coconut Hot Towel facial, the menu of services is simply amazing. Manicures, pedicures and a medical spa are part of the service. The staff can customize your treatments on request. If the weather doesn't cooperate, treatments are offered indoors. Truly a unique experience by the ocean side.

The Spa at The Setai

"Elixir of Youth"

Come to the Spa at The Setai, Miami Beach and let your troubles melt away. This serene spa, overlooking palm fronds, uses its ancient Sanskrit philosophy to calm and rejuvenate the senses. Relax in a Zen-like trance as the attendants treat your body to exotic massages and beauty treatments. Therapeutic wraps, cleansing facials, holistic beauty procedures and purifying baths involve volcanic mud, herbal oils, flower petals and leaves. Make you wonder why you can't carry the whole place back home, doesn't it?
