### Junkman's Daughter

"Funky Accessories and Tobacco Store"

A staple of Little 5 Points shopping, Junkman's Daughter is where shoppers go for the things that can't be found anywhere else. Junkman's Daughter considers itself "Atlanta's Alternative Super Store" and it's easy to see why. Unique knick-knacks, rock band tees, extravagant costumes and club wear, wigs, hair dyes of every color are just some of the gems. Browse a long rack of vintage clothes or walk up to the upstairs shoe department. Junkman's Daughter has been a haven for the alternative crowd since 1982, when it was opened by, as the name implies, the daughter of a junkman.
