A Mano

"Designer Handbags, Jewellery & Footwear"

A Mano boutique is the go to place to buy some trendy shoes, jewelry or handbags. The shop is filled with well-known European and American designer labels and many of the designs found here are completely exclusive and one-of-a-kind. Some of the designer labels which can be found here include Reinhard Plank Hats, April Higashi, Fiorentini+Baker, Monica Castiglioni, Johnny Farah, Bosabo and Il Bisonte Sandals. While all wares here are brilliant, the store certainly has a special expertise when it comes to shoes.

The Woolly Mammoth

"Elegance for the Feet"

The Woolly Mammoth began as a small shop selling skirts, sandals and vests in 1971. In the 1980s, the owner Patrick Andre and his wife revamped this store to focus on quality products, especially 'comfort shoes'. Andre's love for leather is reflected in the collection housed here. This store offers shoes for the entire family. You can also get yourself a beautiful leather bag from here. A pair of footwear from The Woolly Mammoth will be a worthy addition to your collection.
