Bonham Exchange

"Dance the Night Away"

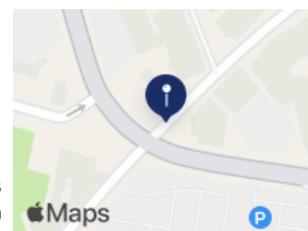

The Bonham Exchange, simply known as "The Bonham," is a large and popular nightclub a couple of blocks away from River Center Mall. Although the Bonham still primarily sees itself as a lesbian/gay club, times have changed and the club now boasts a more diverse clientele. Dance on one of the club's three dance floors and when you are hot and tired, enjoy a drink on the patio. If you are hungry, you can usually find someone selling tacos or hamburgers. There is a small room between the first and second floors of the main dance floor with newspapers, flyers and other information about the lesbian/gay community.
