#### "Italian Flavors"

Chef and owner Marco Wiles received his training from his Italian mother, as well as from cooking in other Houston Italian restaurants. The originality of his dishes makes this a great dining experience for any Italian food lover. The decor is bright and comfortable with tones of yellow in the walls and wood floors. The pastas are made in-house from imported ingredients. Specialties include octopus salad, venison fettuccine and lamb chops. An all-Italian wine list is offered to add flavor to any entree. The Zuppa Inglese, a brandy-soaked cake, is a must for dessert.
