### Stardust Salon & Day Spa

#### "Divine Scalp Massages"

Stardust Salon makes the usually nondescript haircut experience into a comfortable treatment. Relax as your hairstylist leans you back for the customary pre-cut shampoo and get ready for the best scalp massage you've ever had. After you're golden locks have been sufficiently cleaned and conditioned, tell your expert hairstylist how you like it. Walk out looking like a million bucks and a feeling like you've just had a day of pampering.
