Ahoy

"Klassiek plaats voor grote gebeurtenissen"

Ahoy is a magnificent steel structure in Rotterdam, which is used for versatile purposes. Basically a large indoor arena dating back to the post-World War II era, Ahoy stages high profile events. From a plethora of music concerts and sporting events to conferences and corporate events to trade fairs, exhibitions, fashion shows and festivals, Ahoy is favored by all organizers. "Ahoy'-Hal", the brilliant exhibition hall at the arena, holds displays of art and architecture. Dining facilities at the Ahoy are excellent too.
