Indochine Banh Mi

"Tasty Bites"

Indochine Banh Mi is the brainchild of Liz Smith, a self confessed banh mi lover. Overlooking the Halifax Public Gardens, this lovely eatery opened its doors in 2010 and has become a popular spot for a quick bite if you are in a hurry or to relish their delightful Vietnamese sandwiches and pho in their cozy confines. Their rice noodle bowls, fusion tacos, fusion salads and bubble teas are also crowd pullers. Everything is prepared on-site with local ingredients which adds to the freshness of their food. Banh Mi enthusiasts can dig into their options such as Pork Belly, Lemongrass Chicken and Pineapple Beef, while vegetarians can enjoy creations like the Buddha and Veggie Ball. Relish their Korean tacos like Bulgogi Beef or for a light meal opt for their salad boxes. Take a sip of Mango Bubble Tea Smoothie and Coconut Bubble Tea Smoothie to round off your meal.
