## New Mexico Museum of Natural History & Science

"Prehistoric and Futuristic"

Take a walk through time from the big bang through the ice ages in one of the premier natural history museums in the country. Also, discover a great collection of massive dinosaurs while you watch technicians work on actual fossils. You can also experience the Dynamax Theater with its multi-story screen and super sound system. Step into the Time Machine and stop by the Lode Star Center that includes a high-tech, 175-seat theater, telescope and planetarium. The STARTUP Gallery tells the story of Albuquerque's role in the development of the computer. The Nature Works store in the museum features a unique inventory of items related to dinosaurs, birds, and various species of animals and scientific gadgets.

## ABQ BioPark Aquarium

"One Big Fish Tank"

As part of the ABQ BioPark, this is an awesome orchestration of natural wonder. Sleek and graceful sharks glide about a 285,000-gallon climate controlled simulated natural habitat. Saltwater from the Gulf of Mexico is contained and capsulated in this state-of-the-art facility which brings life from the exotic seas to the high desert. Among the oceanic life exhibited, you will see stingrays, sand tigers, sea horses and sea dragons. Albuquerque Aquarium is definitely a must-visit to marvel at the aquatic life!

## Buffett's Candies

"Fine Candies"

For 30 years, this candy maker has supplied people around the world with mouth-watering sweets. A giant candy cane leans against the doorway and has been a landmark in Albuquerque for decades. This would not be a true New Mexican candy shop unless it used pinon nuts in some of its confections. Chocolate covered pinons range reasonably in price. One of Buffett's signature items is The Horny Toad, confections that lie on a bed of pecan or pinon and are draped with dark or milk chocolate. Dozens of other assorted candies are also available.
