Nu Lounge Bar

"Hip Bar"

Nu Lounge Bar is a chic spot to enjoy fine wine and cocktails. It has a very good selection of Italian wines such as Ornellaia, Sassicaia, Guado al Tasso and Amarone, besides some fantastic cocktails and beer. Nosh on tasty bites while you take a sip of their delicious drinks. Their cocktails are among the best in town and are crafted by top mixologists. Definitely worth a try.

Le Stanze del Tenente

"Cocktails and Culture in Bologna"

Located inside the Palazzo Bentivoglio, Le Stanze del Tenente must be one of the most evocative venues in Bologna. Le Stanze del Tenente is a place where culture and entertainment go hand in hand: while sipping your cocktail you can admire frescoes dating from the 16th Century, you can have lunch or dinner in the restaurant, or just a cup of tea (there is a wide selection of great desserts), you can read on a comfortable sofa or enjoy a small art exhibition. On Saturday evenings the atmosphere is enriched by classical music, and on other evenings contemporary music, but always relaxing.
