Salvatore Ferragamo

"Premium Fashion Store"

Located in the One Central Mall, Salvatore Ferragamo is an Italian fashion boutique which stocks footwear, leather products, apparel, perfume and style accessories for men and women. The unique feature of the products that you get here is that they have all been made and imported from Italy, and hence you can rest assured that whatever you purchase will be of premium quality. They also have separate sections for children's toys, fine jewelry, and watches at their store.

Moncler

"Leather Bags and Accessories"

Coach has made a name for itself with its range of top-quality, designer leather goods. This manufacturer is known internationally for its collections of high quality, designer handbags, luggage, briefcases, wallets and shoes in fabulous colors and classic cuts. It also features some finest twill travel kits, tweed satchels and futuristic watches. Photo frames and umbrellas are also kept in stock. As with all such shops, prices are high, but so is the quality. If you decide to shop online, overnight delivery, low shipping costs, and easy returns are also some of their other great services they offer. If you are in the mood to shop for luxury designer goods, then heading to Coach can be a great idea.

Saint Laurent

"Luxury French Fashion House"

In operation since 1961, Saint Laurent Galaxy Macau is a French fashion house with retail outlets and stores in various corners of the globe including places as far-flung as United States and Japan. Known especially for its couture collection for both men and women, the store enjoys a loyal fan base all over the world for its chic styles and lasting quality. Besides clothing, the store also houses a great collection of jewelry, ties, scarves, and even sunglasses. A great selection of leather goods including handbags and wallets are also available. Fragrances and perfumes can also be found stacked on the shelves here. If you are in the mood to see heads turn wherever you go, certainly shop at Saint Laurent Galaxy Macau.
