Key West Theater

"Premier Cultural Hub"

Built in 1848, the Key West Theater changed several hands and has been a church, a concert venue and even a nightclub over the years. Now one of the most important cultural centers, the theater is a must-visit for anyone who wants a glimpse of the local theater scene. Plays, live musical events, dance performances and even standup comedy nights take place here often. While enjoying the show, spectators can also call for cocktails to be brought to their seats. If you want to immerse yourself in the local culture, do so by checking out the schedule of Key West Theater and heading there for a show.

Green Parrot Bar

"Historic Bar, Wild Crowd"

Wild groups gather at this open-air bar nightly, to party 'til they drop. If you are up for a pretty rambunctious scene, you will enjoy this antique saloon built in 1890 and generally agreed upon as the oldest bar in Key West. The co-owned smokehouse next door called "Meteor," serves pork, chicken, beef and seafood until 2am. Play pool, darts, or pinball while trying a "spine-tingling" cocktail. On weekends, there is live music, and the jukebox pounds out blues, zydeco and reggae all week. Don't miss this spot, listed as one of the "World's 50 Greatest Bars."
