Canyon

"Southwestern Fare and Atmosphere"

Prickly pears from cacti turn margaritas a pale pink at this Southwestern restaurant. Decked out in the soft pastel colors of the nation's desert states, this restaurant is located near a movie theater on busy Sunrise Boulevard. Canyon packs in diners in search of contemporary cuisine, which is this restaurant's specialty. Red snapper served with purple Peruvian potatoes is one of many creative options that lure the trendy crowd. Dessert options include a sorbet tangy with the snap of chili peppers. Casablanca Cafe

"Morocco Meets the Tropics"

A lovely old house was preserved and reworked to become this cozy restaurant so prettily lighted that it's often featured in the region's promotional pieces. The culinary fare offered here is a contemporary take on American cuisine. It's not so much what you eat, however, as the ambiance in which you eat it. Here that means candlelight, views of the ocean lapping on the beach across the street, a kind of Morocco-meets-Mediterranean-meets-tropical atmosphere that somehow works.
