Casablanca Cafe

"Morocco Meets the Tropics"

A lovely old house was preserved and reworked to become this cozy restaurant so prettily lighted that it's often featured in the region's promotional pieces. The culinary fare offered here is a contemporary take on American cuisine. It's not so much what you eat, however, as the ambiance in which you eat it. Here that means candlelight, views of the ocean lapping on the beach across the street, a kind of Morocco-meets-Mediterranean-meets-tropical atmosphere that somehow works.
