### Nana Funks

#### "Dance Until The Morning"

When all else in Southside closes for the night, Nana Funks livens things up with eclectic music and an energetic crowd. This bar opens a lot later than other places in the neighborhood and is a big draw among club goers. Shoot some pool at the back or head straight to the dance floor where the DJ spins a mix of R&B, pop, rap and hip-hop hits from the 1970s and onwards. Lively until the wee hours and always buzzing with patrons, a visit here ensures a great nightlife experience in Alabama.
