### Jones Valley Teaching Farm

"Fruits of the Earth"

Jones Valley Teaching Farm, located in the Gardens of Park Place, is an urban farm growing healthy, natural fruits, vegetables and herbs, not just to eat, but for education. The Jones Valley Teaching Farm is of the philosophy that kids learn best by doing, and at the farm, kids get down and dirty growing and caring for the produce. As a byproduct of this, they also learn more about healthy eating and they even host cooking classes and programs to teach about how to use the fruits of their labor in the most delicious ways.
