### Beef & Bottle Restaurant

"Be There!"

Take a break from dieting and relish this steakhouse's exotic food. Fabulous dishes make up for the plain and drab interiors. Regulars will vouch for the huge chunks of beef in your meals. Ask for a wine, or beer to go along with your food, and enjoy the complete Beef & Bottle experience. Although not a fancy place, this restaurant remains crowded at all times due to its unpretentious attitude and delicious preparations. Reservations are a must.

### Piedmont Farmers Market

"Fresh Food"

The Piedmont Farmers Market is a dream come true for all those who love fresh produce and heaps of varieties to choose from. Set up in 1984 so that farmers could get a fair price without the middlemen eating into their profits, this benefited buyers too who could now buy at affordable prices unlike those at retail shops. Open 365 days a year, a visit to this traditional market is an experience in itself that can't be missed.
