Carolina Place

"This Mall Ain't So Small"

This mall has it all. Huge department stores like Sears and JC Penney, restaurants, boutiques, Disney Store, and other specialty shops share space under one roof. Carolina Place, just nine miles off Charlotte, has ample parking and counters to give customers the added joy of shopping. The GGP Mall Gift Card is also available, which customers can use like a debit card. Watch out for events and movies, too. Don't forget to load your wallet.
