Ribs USA

"Tasty Bites"

There's nothing fancy about eating tender BBQ ribs at this casual hang. The atmosphere here makes it the perfect spot to get that delicious sauce all over your face. Free peanuts are available in huge barrels and most of the shells wind up on the floor. For those who'd prefer to pass on the red meat (which is a shame) there's always Mary's Delight, a skinless, boneless breast of chicken covered with that same, sweet sauce.

"Fantastic Local Cafe"

Locals trek to Coral Cafe day and night for the wide selection of inexpensive food. Open 24 hours, it is the perfect for lunch or stopping by after a night at the bars or clubs. The simple layout and sparse decorations may not add to the ambiance, but it creates a mom-and-pop feel. Make sure to order the tortilla soup, topped with a mound of cheese, it's simply one of the best soups in the city. Coral Cafe also has a great breakfast menu.
