Pan African Historical Museum USA

"Learn about History"

The Pan African Historical Museum USA, also called PAHMUSA, is an interesting museum that explores the history of African and African American cultures. Stroll through the exhibits and view beautiful modern and historical artwork and interesting artifacts. On Saturdays you can schedule an appointment to go on the African American Heritage Trail Tour. This informative walking tour starts at the museum and takes you around the city to learn about Springfield's role in the Underground Railroad.
