Global Gifts

"Fair Trade Gifts"

Global Gifts is a small store that sells a variety of handmade goods including everything from jewelry and housewares to art and toys. But what really makes it special is that all of these items are fair trade, which means that the artisans were paid a fair wage and the items were ethically made. Since these items are imported from around the world, your purchase goes toward providing fair income to talented people. Plus, with a constantly changing stock, you never know just what you'll find.
