Granby Theater is a live music venue and concert hall situated inside a renovated 1915 movie and vaudeville theater. You can catch local bands and unforgettable performances. There is a dress code, so remember to leave those sneakers at home. The Granby Theater is one of Norfolk's best venues for live music and dancing. It's also a great place to host weddings and celebrations for other special occasions. The admission price is minimal and the convivial atmosphere and great food and drinks also make Granby Theater a great place to bring along your date.
