Roxy

"Glam & Glitz"

Sample the taste of the 60's at Roxy. Brick and glitz come alive under the blue lights as the oval wall shines in the back drop. The bar stacks a wine list that is inclusive of international names that are both vintage and new. The obsession with cocktails is well catered with martini, champagne cocktails and long island tea. A DJ is stationed at one end of the bar and he cranks up the volume as per the mood of the seated public. Nightlife at the Park Kolkata just got a step of jazz to it.
