13th Floor

"Cocktail With a View"

Perched on the 13th floor of the Barton Center at Mahatma Gandhi Road, the 13th Floor is one of the trendiest cocktail lounges in Bengaluru. The music is either Retro or House which maintains a certain unmistakable spirit. Food includes European pasta as well as Oriental Gai Sarong. Indoor seats can accommodate about 30 people as well as about 120 outside. Trendy leather couches and marble-topped tables make up for the otherwise minimalist look. But what the droves of loyal clientele come here for is the view. Nearly half of the lounge is open air where guests can enjoy some of the best views of the city, which are best enjoyed at night, with the glittery lights of the city shining in black and gold.

Ice

"Ice Chill"

Ice at Taj Residency is the hotel's first licensed nightclub and bar which has stormed its way into the hearts of Bengaluru's party people. It first used to be just a bar but seeing the growing interest of the people in setting the dance floor on fire, the hotel sought a license for a discotheque as well; a decision which paid off richly. The interiors are filled with optical illusions and snazzy lights. The bar also has an array of interesting cocktails and drinks, along with Cuban cigars that are quite popular with regulars. DJ nights are the rage here with names like the homegrown DJ Ivan coming to spin great music for the city's beautiful people. Cover charges vary as per the event and each night has something unique to offer.
