Kabuki Springs & Spa

"Relaxation at all Levels"

Target your physical and metaphysical well being at the Kabuki Springs & Spa. This elegant Japanese style spa offers a traditional Japanese bath, massages, acupuncture, facials and more. Try the interesting body treatments like the Javanese Lulur Body Treatment, a Ginger Glow Body Wrap or the body polish. Accompany it with a facial like the Organic Harmony Facial and let your face and body glow. Check out their spa packages like the Nirvana and Radiance, for a pampering session from head to toe. Look better, feel better and walk out a satisfied person.

Imperial Spa

"Healing Waters"

This Korean style spa features a steam room, red clay sauna, shower facilities and best of all, hot and cold jacuzzi tubs. Body scrubs and purification packages will have your skin glowing and feeling as soft as ever before you step into one of the luxurious tubs and feel your stress melt away. Accupressure and reflexology is also available for those wanting to stay out of the tubs.
