Merci

"Charity Chic"

Merci is a shop selling books, flowers, furniture, clothing and decorative objects. Proceeds from this department store's sales are donated to programs whose mission is to help women and children in need. Some designers also give some of their time and talent to this good cause: their objects and garments are labeled with a gold medal. It's in a beautiful shop of 1500 square meters (16,145 square feet) that Merci offers a clever mixture of new and vintage looks: you will find trademark and deluxe items as well as affordable everyday sundries.

Muji

"Japan-Based Lifestyle Store"

Muji's radical concept- no branded goods-quickly gained popularity, even with the brand-obsessed, and its extremely low prices make this Japan-based lifestyle store popular citywide. You may not see any flashy brand names on the shelves, but you can rest assured that the products are of the highest quality. You'll find pared-down, functional house wares, including dishes, stationary, simple furniture, even bicycles, alongside cotton clothing and beauty accessories.

Le Bon Marche

"De Oudste en Beste"

Een variëteit aan producten worden hier getoond zoals kleding voor mannen, vrouwen en kinderen. Maar dat is niet alles, huishoudelijke spullen, cosmetica, sportkleding en lingeerie komen hier allemaal samen voor een lange tijd shoppen met alles voor de hele familie. En als extra informatie, dit warenhuis is het oudste in Parijs en het winkelen aan de Rive Gauche was nooit zo leuk.

Galeries Lafayette

"A Paris Favorite"

Despite the invasion of big name stores such as Gap, Zara, and H&M, the flagship branch of Galeries Lafayette, along with nearby Printemps, has remained one of the last bastions of Parisian chic. Built in 1894, this shoppers' paradise has continually reinvented itself and kept customers coming back. The resplendent main hall has an impressive array of perfumes, accessories and other products. The department store stocks all the best designer labels and also has its own deluxe grocery counter, restaurants, a travel agency, fashion shows, Internet access and more. Its incredible Christmas window displays are a Parisian institution.

Printemps

"Centraal Winkelcentrum"

Dit warenhuis is gevestigd in een erfgoed monument. Vrouwen worden hier wild van de grote collectie aan kleding en andere accessoires. De meest beroemde en trendy merken hebben een winkel in Printemps: Chanel, Dior, Gucci, YSL, Alexander McQueen, Stella McCartney en Louis Vuitton. De vierde verdieping is ter promotie van nieuwe ontwerpers zoals Zading & Voltaire, Isabelle Marant en Vanessa Bruno. Voor mannen is er een aparte sectie op de 6e verdieping. Voor in je huis vind je hier meubilair, porselein en zilverwaren, en daarbij alles voor een huwelijk. Over huwelijk gesproken, bezoek de trouwsalon om je toekomstige bruidsjurk te passen. Als je het belangrijk vindt om je voor het winkelen te verwennen, ga dan naar de schoonheidssalon of de spa. Wat kan Printemps nog meer bieden? Een modeshow iedere donderdag en kookliefhebbers hebben ook de mogelijkheid om hun tassen te vullen met delicatessen uit de Printemps Gourmet. Neem een pauze in het restaurant of het café voordat je verdergaat op zoek naar je nieuwe Parijse mode-item.
