Macarena Club

"No More Monday Blues"

At Macarena Club, Mondays are treated like weekends: crowds gather outside as everyone tries to get a dose of the Monday night party (though the venue functions on other nights as well). Although the name might lead you to think 'retro', the music here is a healthy mix of house, techno and local favorites. The music is very loud and not for those who are uninitiated in the night life of the city. The club is a hit among the youth and also offers a range of cocktails and beers. So drown the Monday blues in mojitos, and party away with fellow cosmopolitans.

Moog

"De Beste Techno in de Stad"

De industriële inrichting zet de toon in deze donkere club met metalen vloeren en een metalen plafond. Dit is de plek om te dansen, dansen en te dansen. De DJ draait voornamelijk techno muziek, en de club heeft speciale avonden voor internationaal bekende DJ's. De vaste DJ is DJ Loe. Dit is zonder twijfel een van de beste nachtclubs van Barcelona. Het deurbelied is helemaal niet streng, en je vindt soms mensen rond de ingang die flyers uitdelen waarmee je gratis naar binnen kan. Daarom is het hier altijd druk. Bovendien is het maar 200 vierkante meter! Op de bovenste verdiepingen wordt meer commerciële muziek gedraaid.
