The Jefferson Washington DC

"Historical Vacation"

The spectacular Jefferson Apartments in Washington DC was built in 1923 and was turned into a hotel in 1955. The posh hotel displays a fabulous Jefferson collection of art, furnishings, books and documents that keep guests enthralled with the place. Another noteworthy feature is the skylight that was discovered during renovations, dating back to World War II. The hotel offers splendid services which includes a chic spa, splendid dining and a comfortable and relaxing atmosphere for its guests.
