Perch

"Dine In The Sky"

'Perched' atop the 13-story tall Pershing Square Building, is a gem of a French bistro, that's hidden away from the hustle and bustle of the historic square. The splendid alfresco setup accentuated by a couple of fireplaces and fire pits, sets you up for what's in store in the kitchen. The connoisseur behind the kitchen walls, Chef Shawn Davis promises to take your dining experience to a different level by serving delicious classic French cuisine touched by his signature style. The regular French delicacies like Ahi Tuna Tartar and Classic Caesar Salad are dished out with flair, and so are the traditional dishes like Bouillabaisse and Duck Confit. In the end, a glass of Armagnac or Calvados from its bar, is enough to round off a fine dining experience. The bistro is also a perfect spot to relax in the lounge area and enjoy the live gigs and cabaret performances which are held here throughout the week. With a location that matches the best in the city, Perch is a perfect place to dine with your loved ones. Call or visit their website to book a table.

The Ivy

"Voor de Rijken en Beroemden"

Deze ontmoetingsplek voor beroemdheden is al vele jaren bezocht door mooie mensen en dat wordt niet minder. Als je geen reservering of studio deal hebt dan kan je het vergeten om binnen te komen. Het interieur is simpel en focussend op de klanten en het menu, die beiden bovennatuurlijk zijn. De krab-taartjes zijn favoriet, en de gefrituurde kip is excellent. Als je het kan betalen, is dit een goede plek om belangrijke mensen te leren kennen. Zo niet, dan kan je altijd wat drinken aan de bar, maar vergeet niet plek te reserveren.
