### Vedge

#### "Vegan Food and Curated Cocktails"

Located on the Locust Street in Washington Square, Vedge has a lot to offer for vegetarians and vegans in the city. The kitchen, headed by Chef Katie Jacoby uses the freshest ingredients natural available; making everything on the menu free of any kind of animal products and is gloriously tasty. Apart from delicious dishes like the sweet potato pate and brussels sprouts, they also offer a range of all vegan desserts like cheesecakes which are just about awesome. You can complement your gorgeous healthy meal with one of they stellar curated cocktails like Jolly Ginger Jammer.

### Grindcore House

#### "Rejoice All Vegans!"

At Grindcore House you will find some of the best breakfast, lunch as well as dinner specials. The cafe is very popular because of their unique offering of vegan, vegetarian and organic dishes and hence enjoys a loyal patronage. They offer a plethora of non-dairy creamers and their sandwiches and pastries are made without meat, eggs or milk. Here, creativity oozes from their decor and settles only on your plate. A perfect spot to pick up a sandwich to go but also ideal for a sit-down lunch with friends and family, Grindcore House is a heaven for those with dietary preferences.
