### Art of Old India

#### "Design District antiques"

Bringing to the US market rare Asian imports since 1974, Art of Old India is a renowned decorative showroom. This award-winning establishment presents valuable pieces which are highly sought after by designers, architects and builders. Find intricately carved ceiling panels, columns, arches, antique furniture, trunks, armories, rugs, velvet carpets, fine textiles, decorative doors, lightings, mirrors, and other fancy furnishings here.

### Dolly Python

#### "Huge East Dallas Vintage Shop"

This vintage store has products that will make you gawk. Each item seems carefully chosen and has a story of its own. Expect to see an unusual, quirky variety of vintage clothes, antiques, knick-knacks, accessories and many more things. On any given day, you might find taxidermy animals, antique photo prints, or concrete Sphinxes for your garden.

### Bishop Art District

#### "Shopping, Art & Dining District"

The Bishops Art District is a shopping paradise found in the middle of Oak Cliff. This artistic, inviting district is a collection of unique, independent shops, restaurants, and galleries. There's a lot to explore, so wear your walking shoes. Whether you're looking for something for your home, your pet, or your friends, you'll find one-of-a-kind items to fit your needs here.

### DFW M'Antiques

#### "Antiques for Men"

Antique shopping is met with a twist as this store focuses on manly stuff, truly a rare find in cliché vintage shops. Cigar boxes, war memorabilia, sports accessories, pinball machines, you name it and you're gonna find it at DFW M'Antiques. If, by some improbable logic, the prized possessions can't win you over, the friendly atmosphere and the beer in the fridge surely will. Let the women, for once, complain about shopping!

📍 424 West Davis Street, Dallas TX

## Curiosities

### "Quirky Store in Lakewood"

Curiosities is a quirky store boasting of a diverse collection of folk art and antiques. Coming here, you might spot skeletons, deer heads, jukeboxes, and other seemingly random items. This is a shop to explore, as it really does live up to its name. So set aside some time to get lost here, and get ready to be surprised at every turn.
