Rajdoot

"Decades of Serving Indian Food"

If you enjoy rich and aromatic Indian food, head down to the Rajdoot which is just out of the downtown core. They offer food from all parts of India including smoked lamb, beef and seafood which are all cooked in clay ovens, adding to the richness of the dining experience. On Tuesday evenings they offer a vegetarian buffet. They also offer a full selection of red and white wines.

Puspa Restaurant

"Indian Delights"

Walking into this small cafe after a long day is a welcome respite from the daily grind. You are immediately aware of the smell of warm spices in the air and the aroma is both tantalizing and soothing. Puspa offers a wide selection of Indian foods such as rogan josh, samosas, and tandoori chicken. The flavors are often a mix of hot and sour combined with sweet vegetables; you can order from the very mild to the very hot and vegetarians will feel right at home.

Clay Oven Restaurant

"Indian Treasures Brought Here"

The Clay Oven serves up sumptuous East Indian cuisine in a comfortable non-smoking environment within minutes of the Calgary International Airport and shopping area. They offer seafood and vegetarian dishes that complement both harmony and taste by using only high quality spices and ingredients. You can also choose from an extensive wine menu. Although it's a wee bit cramped, the environment is one of cozy hospitality. There is ample free parking, and if you plan to dine on the weekend, reservations are highly recommended.
