Stadtcasino Basel

"Perfect Acoustics"

Stadtcasino Basel is the heart to Basel's musical scene. This concert hall is home to generally classical musical artists. The room's quality acoustics make this an ideal venue for artists to perform and up to 1,512 viewers to listen. Here the sights and sounds of Basel's rich musical life at this historic venue. While the emphasis is on the musical hall, Stadtcasino Basel also features three additional rooms that are perfect for exhibitions, conferences, and lectures.

Palazzo Basel

"Gourmet All the Way"

As you enter Palazzo Basel, the beautiful and ornately done up interiors are sure to catch your attention. But that is not the only attention-drawing factor of this 'gourmet theatre'. The delectable delights that feature on the menu put together by celebrity chef Peter Moser is sure to be a hit with any connoisseur. But the real treat is enjoying some fantastic performances as you appreciate the thoughtful four-course meal! Palazzo Colombino, the popular event, is as extravagant as it gets; acrobats and magicians, musicians and artists, all come together for a spectacular show full of color and excitement. All in all, the Palazzo Basel rates high on fantasy, high on entertainment and high on culinary satisfaction!
