Ibiza

"Rooftop Bar"

Named after a Mediterranean island where ancient myth said that it was home to the gods of music, Ibiza is now a cocktail bar and hot spot for music. This rooftop bar is located at Andaluz Hotel and has a stunning view of the surrounding area. Enjoy a cocktail and try a bite from the tapas menu. Ibiza has an enclosed bar and terrace for cold nights. The bar also hosts events, including DJs and private events.

Anodyne Pool Hall and Cocktails

"Lives Up To Its Name"

This hipster bar and pool hall has the best jukebox in town. "The 'Dyne" is an unpretentious kind of joint. Chat at the bar, skulk in a dimly lit, leather upholstered booth or grab one of the ten or so pool tables. Cocktails are served in pint glasses. The huge fridge packed with unusual beers should meet the needs of those seeking the grain.
