City Sightseeing

"City Explore"

City Sightseeing is a company that is dedicated to help tourists explore cities. This touring company runs buses along specified routes covering different tourist locations. The bus has a guide who gives the tourists information on the place of visit and assists them in the English language. The company also has pre-recorded commentaries in languages like German, Japanese, Italian, Spanish and Russian. Check website for details.

Bancroft Cruisers

"Let The World Drift By"

If you are footsore and weary from shopping or sightseeing, why not see Stratford-upon-Avon from a different perspective? Hop aboard one of the modern passenger boats operated by Bancroft Cruisers from the wharf at the Stratford Moat House and take a 35 minute sightseeing cruise down river. Note that there are spaces on the larger boats for up to three wheelchairs. Bancroft Cruisers are also available for charter bookings, complete with on board bar facilities.

Avon Boating

"Messing About On The River"

Take to the water! For the energetic, Avon Boating offers a choice of self-powered vessels. Rowing boats, punts and Canadian canoes are all available for hire. Or, for those who prefer a more relaxed mode, why not step aboard an Edwardian passenger boat for a tranquil half-hour cruise on the Avon? Private charter and extended cruises, buffets, high teas, river picnics and corporate events can all be arranged through Avon Boating. Note that there is also an 1898 steam launch for hire! Check website for different packages available.
