### SS American Victory Mariners Museum

"A Floating History Lesson"

Come aboard this 61-year old merchant ship and experience its history of past service to the US during WWII and both the Korean and Vietnam wars. Take your time on the self-guided tour of the nine decks and get a bird's eye view of the areas where the crew worked and lived. The ship is available for private and corporate events or it can be booked for small group tours. Also, a six hour cruise event can be arranged which includes breakfast, lunch, tours and a fly-over. Make reservations ahead of time to ensure your spot.
