### The Florida Aquarium

"Down Under"

The Florida Aquarium gives visitors an all-access pass to the mysteries of the deep. Observe seahorses, lobsters, colorful fish, moray eels, gators, river otters, Australian sea dragons and many more. If you're feeling truly adventurous, take advantage of the "Swim with the Fishes" or "Dive with the Sharks" programs (advance reservations required). Kids will love the wide range of colorful and fun-filled interactive displays. The aquarium also sponsors ecotours aboard a 64-foot catamaran, affording patrons an opportunity to get even more up-close-and-personal with the sea. See website for complete list of attractions, calendar of events and more.

### Manatee Viewing Center

"Cows of the Ocean"

Seeking the refuge of the warm canal waters near the old Big Bend Power Station, manatees were seen flocking to this area. From this, the Manatee Viewing Center was born and has since been designated a habitat sanctuary for these peaceful creatures. The onsite educational center features colorful displays and exhibits along with a hurricane simulator. A butterfly garden encapsulating the centers solar panels rounds out this ecologically and environmentally friendly tourist attraction.
