Massage Redefined, LLC

"Massages for the Body & Soul"

From meditation classes to massage treatments, you will be in safe hands with the staff at Massage Redefined. Schedule a therapeutic massage to help eliminate stress, pain and tense muscles or feel rejuvenated with an intense reflexology massage of the hands and feet focused on balancing specific parts of the body. Clients receive in-depth consultation prior to sessions to ensure the appropriate treatments are being administered. Massage Redefined also offers classes in level one and level two Reiki training by certified staff. Customers can take advantage of money-saving discounts offered each month throughout the year on sessions and classes. Online scheduling is available. - Vickie Ferguson

Pia Esthetic Day Spa

"A Pleasant a & Friendly Spa"

Thanks to a friendly and professional staff, Pia is the kind of day spa in which you will feel completely at ease. This center offers a complete experience: waxing and spray tanning to feel amazingly beautiful, massage and body treatments to return home entirely relaxed. Men or women can also try the specialty of this spa, the waxing and color procedure for perfect eyelashes and brows! Prices range from affordable to significant, but the service is always high quality in this bright and cheerful place. This location is on a commercial avenue between Tampa and South Tampa. Use the direct phone number to get an appointment before going.
