Brewed

"Locally-Inspired Drinks and Cuisine"

Being local and proud of it takes on a whole new meaning at Brewed. The decor can only be described as eclectic, with a mix of classic arm chairs, taxidermy, metal, bare-brick and wood-work, with turquoise accents that tie it all together. The ambiance is reminiscent of the living room of a marvelously eccentric friend who aches to show off his oddball collection of curios. Warm and inviting, Brewed is a place to gather with friends and sample an inspired selection of specialty coffees, craft beer and seasonal dishes created by locals, using local ingredients. The weekend brunch with fried chicken, biscuits and gravy is an especially popular event and attracts quite a following.
