Sid Richardson Museum

"Authentic Western Art by Remington & Russell"

An exhausted cowboy slouches in his saddle after a hot, hard day of herding cattle over the plains. Frederic Remington, Charles M. Russell and a few other artists uniquely captured the struggle and challenge of the "Old West" with their art. Art collector, philanthropist and oilman Sid Richardson donated his personal collection of original art masterpieces to the museum, located in Fort Worth's Sundance Square Arts District. Features include both paintings and sculpture redolent of the early west.

Kimbell Art Museum

"Brilliant Use of Light and Space"

Architect Louis I. Kahn won an award from the American Institute of Architects for this building's striking design. He used a series of arched glass ceilings to let in natural light and enhance the presentation of the many important pieces in the museum collection. The artwork comes from all over the world, with maestros such as Renoir, Picasso, Rubens and Rembrandt represented. Those desiring more exotic artwork will enjoy the Asian, African and Mediterranean collections. The Buffet Restaurant is open daily, offering different kinds of light fare depending on the time of day. Admission to the permanent collections is free.

Fort Worth Museum of Science and History

"Learning Science and History"

This delightful collection of tactile displays encourages learning for children and adults alike. A ferocious dinosaur offers greetings in the front walkway; attractive and enticing exhibits branch out in all directions. There are nine permanent galleries with themes ranging from Texas history to computers to fossils. Two of these include dino dig and kid space, specifically designed for younger children. One of the most popular attractions is the Omni Theater, an IMAX theater that shows 70mm films on a huge screen. The noble planetarium presents programs on astrology.
