Banana Republic

"Smart and Sassy"

When it comes to fashion, Banana Republic is a trusted name for sure—it's a brand that styles you perfect. While women can revel in the trove of vibrant petites, sexy skirts and beautiful party dresses, men can fill their wardrobes with smart chinos, khaki suits, trendy jackets and more. There's a cool collection of nifty footwear too. So, you don't have to go elsewhere looking for that perfect match; Banana serves that purpose well. This brand is all about great apparel, good accessories, nice footwear and chic handbags.

Balliets

"Shopping Lifestyle Hub"

Always ahead of the curve, this Oklahoma City boutique has been proclaimed a leader in style by Harper's Bazaar for eight years in a row. Balliets is known for its deep collection of top-tier designers, from couture to contemporary. Along with gorgeously made clothes, the shop also carries a wide range of luxury beauty products, including top of the line, La Mer and more. Aside from the goodies, Balliets also offers in-house spa services, so shoppers can pamper themselves during a day of shopping. This shopping mecca is truly an Oklahoma City gem.
