Electric Cowboy

"Yee haw!"

The flashiest (and most popular) two-stepping bar in town, you can enjoy both country and mainstream music at the Electric Cowboy. This place has character, with a crashed semi truck hanging from the dj's booth and a neon-red-eyed bull's head watching dancers from the wall. The dance floor is spacious and inviting, with plenty of surrounding booths to rest in after two stepping and line dancing. The banquet room can be rented out for events. Thursday and Saturday nights are usually the most popular.
